

Remy Wines presents

The Community Wine Box

Serving Yamhill County with Local and Global Selections

Introducing our brand new subscription-doorstep-wine-delivery program!

Let us introduce you to awesome new wines in the easiest way possible with a no commitment, low quantity, high quality wine selection from our local and global partners.

What is in the box? Each box contains 3 bottles of wine (or up your delivery to 6 or 12) hand-picked by Remy. Every 2 weeks you will receive 1 Remy Wines Selection, 1 Local Selection from one of our Willamette Valley friends, and 1 Import Selection.

How does it work? After enrolling in the program wine will auto-magically be delivered to your doorstep every other week. No charge for delivery. Our first delivery is set to go out next week on April 28th, one week from today! Sign up by this Friday to get set up for the first delivery.

What is the cost? Each box will be \$75 or \$65 for Bell'Amici* wine club members. As mentioned above, delivery is complimentary within Yamhill County.

We are all very excited to be able to share our wines alongside our neighbors' and friends' abroad. This is all about showcasing the strength of our community while at the same time kicking back and enjoying some amazing wine.

To enroll, or have questions answered, let **Hannah** know. Simply reply to this email or call/text her at 503-412-8387.

Cheers!
from Team Remy Wines
